

Guidelines for Club Lead Formation and Club Structure

I. Club Hierarchy and Structure of Non-Technical Clubs

To ensure consistency and proper functioning across all clubs, the following hierarchical structure must be strictly followed:

- Lead (1)
- Co-Lead (1)
- Domain Leads (UG-3) (for mise en scene, fstops, keynote)
- Core Members (UG-2/UG-3) – Maximum 4 .
- Members (UG-1)

II. Guidelines for Lead and Co-Lead Formation

Shortlisting Process:

- Shortlisting of applicants must be conducted by the existing Lead.
- The process can involve application forms and other discretionary methods decided by the Lead.

Election Process for Non-Technical Clubs

- The selection of new leads for non-technical clubs will be conducted through an open election process .
- Once all nominations are received, a voting link or system will be shared with the club members.
- All members of the respective club will be eligible to vote.
- The candidate receiving the highest number of votes will be declared the new club lead.
- The election process should be overseen by the current club coordinator and at least one SDC representative to ensure fairness and transparency.

There will be no interview process, as it's challenging to differentiate the skill sets of individuals for non-technical roles through interviews alone.

Transparency and Reporting:

- **Details of the final selected candidates must be shared with the SDC for record-keeping and transparency.**

III. Guidelines for Domain Lead Formation(for keynote,mise en scene,fstops)

- The newly selected Lead and Co-Lead are responsible for deciding the number and nature of domains within the club.
- Selection and appointment of Domain Leads is at the full discretion of the Lead and Co-Lead.
- Domains can have a maximum of 3 core members(from ug2/ug3) .
- SDC will not interfere in the domain formation process unless approached for special approvals.

IV. Guidelines for Core Member Selection

- Core members must be from UG-2 or UG-3.
- They must be selected collaboratively by the Lead, Co-Lead, and the respective Domain Lead.
- A maximum of 3 Core Members is permitted.
- This number must not be exceeded under any circumstances.

V. Guidelines for Member Inclusion

- General members must be from UG-1.
- There are no restrictions on the number of members.
- Membership is open and flexible to encourage participation from the first-year student community.

VI. Uniformity and Naming Convention

- All clubs are expected to strictly adhere to this hierarchy and structure.
- Uniform naming and roles across clubs are mandatory for clarity and consistency.
- Any proposed changes to the structure must be discussed with and approved by SDC Members before implementation.
- For any clarifications or exceptions, Club Leads are advised to communicate directly with the SDC.
- These rules can be modified or changed by the SDC community at any time. Clubs are requested to adhere to any such updates.
